ABOUT & EXPORT FOCUS

Viet Linh Agrimex supplies selected Vietnamese fresh fruits for international importers. We work with sourcing partners and selected packing units across Vietnam to arrange suitable products, packaging, export documents and shipment plans for each order.

Export focus:

- Fresh fruit sourcing for importers and distributors
- Packing coordination with selected packing units
- Export documentation support for international shipments
- Shipment planning through major seaports and international airports in Vietnam

Beyond fresh fruits, Viet Linh Agrimex can also support selected agricultural products such as spices, herbs and fruit powders upon request.
